BUILD FOR LUXURY

This modern complex inspired by the famous designer Saha hadid, is located in a quiet residential neighborhood in the heart of Limassol and includes two and three-bedroom apartments and a luxurious penthouse with a private roof garden.

The elegant architecture, cozy planning solutions, and top-of-the-line finishes will pleasantly surprise those who value comfort and style. Parquet floors, marble in bathrooms, expensive kitchen cabinets and wardrobes, high ceilings, provisions for central VRV air-conditioning and water underfloor heating are only part of the extensive list of features the properties will have.

The central location of the project in the active part of Limassol will provide easy access to shopping streets, business centers, supermarkets, pharmacies, restaurants, and schools.
