INTRODUCTION

Limassol is the second largest urban area in Cyprus, located on the southern coast, with an urban population of 160,000 — 176,700. Limassol was built between two ancient cities — Amathus and Kourion — and during Byzantine rule it was known as Neapolis (new town). Limassol's historical centre is located around its medieval Limassol Castle and the Old Port. Today the city spreads along the Mediterranean coast and has extended much farther than the castle and port, with its suburbs stretching along the coast to Amathus.

The history of Limassol is largely associated with the Third Crusade of Richard the Lionheart, who arrived in Limassol in 1191 on his way to the Holy Land. He arrested the renegade Byzantine Greek governor of Cyprus Limassol, Isaac Komnenos, taking over the entire island, and bringing the long Byzantine dominion of Cyprus to an end. Richard also celebrated his marriage with Berengaria who had received the crown as queen of England in Limassol. Richard destroyed Amathus and the inhabitants were transferred to Limassol.

Limassol has a Subtropical-Mediterranean climate with warm to hot and dry summers and very mild winters, which are separated by short springs and autumns which are generally warm and pleasant.

LIMASSOL COMBINES THE
FAST PACE OF A CITY AND THE
COMFORT OF A FIRST-CLASS

LOCATION

The project is nestled in a carefully selected, quiet and safe neighbourhood of the prestigious Potamos Germasogeia area of Limassol, just 2 kilometres away from the idyllic sandy beaches of the Dasoudi park area and Limassol's best leisure places as well as banks, pharmacies, and multiple food stores.

Located in Germasogeia — the heart of the Limassol tourist area, Dasoudi Beach is town's most popular coastal strip, which provides everything for the perfect day out. It has golden sands, clean and calm seawaters and eucalyptus park. Facilities on the beach include toilets, showers, changing rooms, sun beds, umbrellas, water sports and diving center, beach volleyball court, children's playground, bicycle station and even an Olympic size swimming pool.
